

Cornerstone Christian School

First Grade Summer Reading Assignment

This summer your child should be reading fiction and non-fiction books. For each book that your child reads, have them color a book on the 'Summer Reading Log' form which is attached.

Have your child choose their favorite book and complete the Response form which is also attached.

Remember to have your child read to you. You and your child may choose the book(s) to read; however, the book should at least be at an emergent reader or early reading level. Some suggestions include:

Hello Reader Books (Level 1 or 2)

I Can Read Books

Biscuit Series *by Alyssa Satin*

Clifford Series *by Norman Bridwell*

Dr. Seuss Books

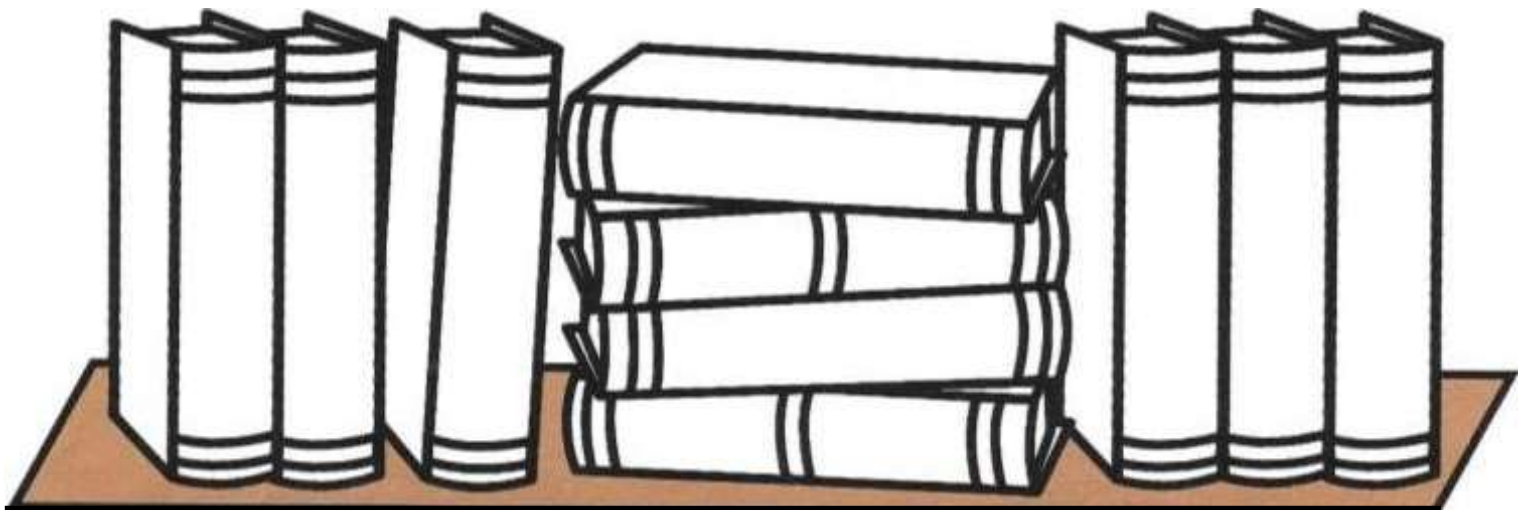

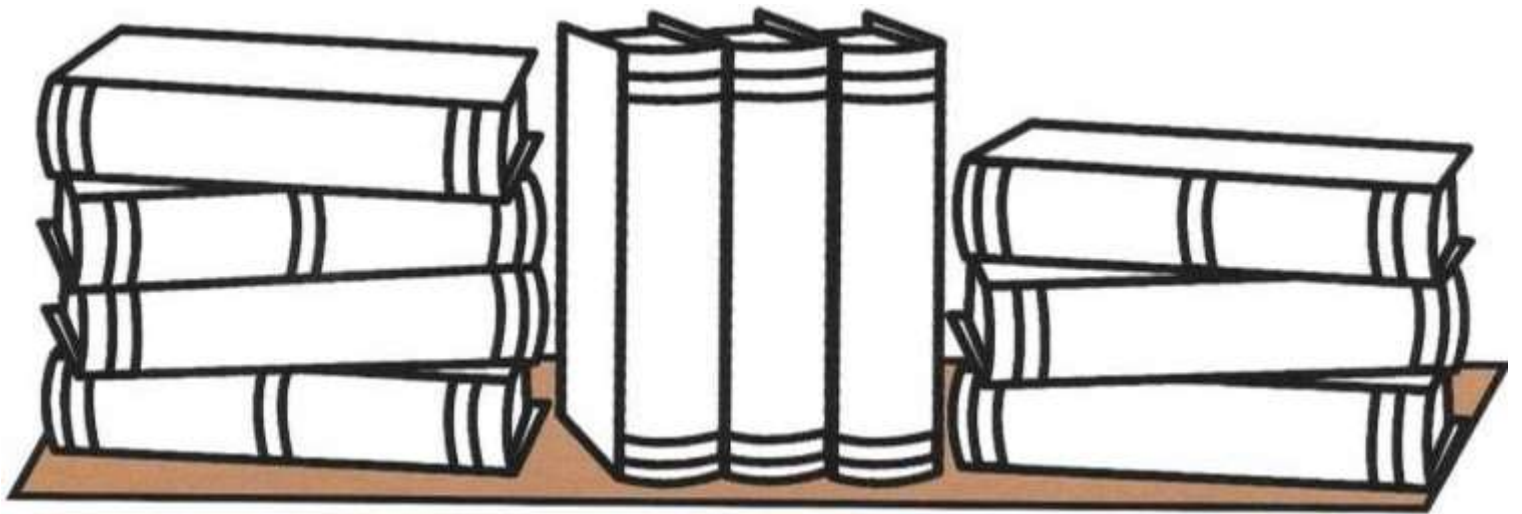

You can also ask any children's librarian for suggestions or look in the Early Reader section of the Children's section of the book store.

****This is due on the first day of school and is a graded assignment****

Enjoy your Summer & Happy Reading!!
